

Press Release | 13 November 2019

## **Atende SA recognised with EMEAR award “Architectural Excellence Partner of the Year: Data Center” during the global Cisco Partner Summit 2019**

Atende was recognised with the Cisco “Architectural Excellence Partner of the Year: Data Center” award in EMEAR. Cisco presented the winners during the annual partner conference that took place in Las Vegas, Nevada. The Cisco Partner Summit Global awards are given to business partners who effectively address the challenges of modern business, aim to respect best business practices and reward best-in-class methodologies. Award-winning business areas of partners are the following: innovative processes, architecture-based successes, strategic programmes focused on business results, leveraging new opportunities and sales approaches.

*“Cisco is proud to cooperate with leading partners to drive the digital transformation by creating advanced solutions and new approach to the needs of our customers,”* said David Meads, Vice President EMEAR Partner Organisation at Cisco. *“It is an honour to recognise Atende SA with an EAMEAR Partner Summit award as Architectural Excellence Partner of the Year: Data Center, which underlines even more the outstanding achievements of Atende in EMEAR.”*

*“The Architectural Excellence Partner of the Year: Data Center award recognises the efforts of many years in developing the expertise of our company. We are pleased to receive this award because it confirms our endeavour to build success of our customers with innovative IT solutions based on the highest level of technical expertise,”* said Jacek Forsyjak, Vice President and Chief Technology Officer at Atende SA.

The aim of the Cisco Partner Summit Geographic Regional awards is to recognise the best partners in particular technology markets in the whole geographical region. All laureates are chosen by a group of Cisco global partner organisation and regional directors.
